

# Larkhall Springs Nursing Home

Larkhall Springs' under-stated exterior hides the fact that it is a state-of-the-art residence, purpose-built for nursing care. The unimposing style of this split-level single-storey building lends a calm, peaceful feel to the home.

Busy family life is not far away however, with residential properties on one side, and children's playing fields on the other. Local shops, cafés and other amenities are within easy walking distance, and the building is surrounded by lovely countryside views.

The home has an upper and lower ground floor, each with its own

lounge. All bedrooms are decorated brightly and have modern en-suite facilities, some with walk-in showers.

A traditional glass conservatory and a number of bedrooms open out onto one of our two courtyards which feature lawns, flower beds, and trellises.

At Larkhall Springs, as at all the Cedar Care Homes, you'll be part of a happy and stimulating household, where our standard of care improves the quality of life for everyone – adding life to years.

We look forward to welcoming you.
