

Saville Manor Nursing Home

Saville Manor is a beautiful Grade II listed property overlooking the Durdham Downs. It was once the residence of a local dignitary, and has stunning interiors that are in keeping with its distinguished past.

Enter through the stained glass doorway and you'll be greeted by a striking entrance hall with a gently twisting staircase, tiled floor, and distinctive stone fireplace. The rest of the house is just as exquisite, with high ceilings and intricate carved features at every turn.

The peaceful lounge area adjoins an airy dining room with patio doors. From here, a raised balcony overlooks a spacious lawn which is framed by trees and shrubs.

There are stunning views from all parts of the house including the spacious bedrooms.

At Saville Manor, as at all the Cedar Care Homes, you'll be part of a happy and stimulating household, where our standard of care improves the quality of life for everyone – adding life to years.

We look forward to welcoming you.
